- i. The quality of a portion, or all, of the Contractor's goods or services not being in accordance with the requirements of this Contract;
 - ii. The quantity of the Contractor's goods or services not being as represented in the Contractor's Payment Request or otherwise;

The Contractor shall promptly submit its termination claim to CAT for payment. The Contractor will only be paid the contract price for goods delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.

9.2 If it is later determined by CAT that the Contractor had an excusable reason for not performing, such as a man-made disaster, fire, or flood, which is not the fault of or is beyond the control of the Contractor, CAT may set up a new delivery or performance schedule, and may allow the Contractor to continue work, or treat the termination as a termination for convenience.

9.3 In the event of breach or default by the Contractor, CAT shall be entitled to all of its damages and reasonable expenses, and its costs to include, but not limited to its reasonable attorneys' fees incurred because of such default.

9.4 CAT in its sole discretion may, in the case of a termination for breach or default, allow the Contractor ten (10) days in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If Contractor fails to remedy to CAT's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from CAT setting forth the nature of said breach or default, CAT shall have the right to terminate the Contract immediately without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude CAT from also pursuing all available remedies against Contractor and its sureties for said breach or default.

9.5 In the event CAT elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Contract, such waiver by CAT shall not limit CAT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.
