

CHATHAM AREA TRANSIT AUTHORITY RFP 2025-11, ADDENDUM NO. 2

DATE: September 2, 2025
ORIGINAL RFP NUMBER: 2025-011
PROJECT: RFP Farebox Replacement

This Addendum forms a part of the Request for Proposals 2025-03 dated, June 11, 2025. In response to received questions and updated schedule of events.

Questions posed during initial Q&A Period and CAT’s Responses:

Question 1: For paratransit vehicles do you require a separate validator for mobile payments if the one farebox can perform /accept all media types on one device?

Response 1: Yes, both systems should have similar programming systems, the difference should be only in the size of the product and connectivity to each system.

Question 2: Does CAT have a preference on devices used to load value to smart cards?

Response 2: No, CAT has no preference on devices, however the devices should connect seamlessly with our current platforms for each transit service provided.

Question 3: Would CAT consider a two-week extension to September 19, 2025?

Response 3: Please see updated schedule of events at the end of this addendum.
