Fixed Route

CAT's network of buses links historic downtown with greater Savannah, providing an easy, efficient, safe, and inexpensive method of transit.

CAT Mobility

CAT's paratransit service, CAT Mobility, is specifically designed to transport eligible persons with disabilities in Chatham County in compliance with the Americans with Disabilities Act (ADA) of 1990. This includes people who are unable, due to a permanent or temporary physical or mental disability, to use the fixed-route public transportation system.

Potential CAT Mobility customers and renewing clients must complete an eligibility screening process in order to keep paratransit services at the most efficient level possible for all clients.
